

Standard and lightweight wheelchairs

OSD

Standard wheelchair “New Millenium II”

Standard foldable wheelchair with powder coated or chrome coated steel frame. The 8" casters (20 cm) with aluminium front forks are height adjustable. The standard 24" x 1-3/8 (60 cm) rear wheels are equipped with aluminium handrims and quick release axles. The wheelchair can be set up for hemiplegics by choosing 5" casters (13 cm), available as an option, and adjusting the rear wheels height. If requested, it is possible to use 12" transit wheels (30 cm). Padded, flip up and removable desk armrests. Washable nylon upholstery, reinforced in the upper part of the backrest. Swing away, height adjustable and removable legrests with heel straps
Colours available: chrome and metallic blue.
