Cervical cushion "Standard"

ARTEMIDORO

Cervical cushion in viscoelastic memory foam. This special material perfectly conforms to the shape of the head and of the neck allowing a correct positioning of the spine and an even distribution of pressure thus relieving pressure around the neck area. It is also available in the model Gold.

Product code

50x30x8/5 cm: OSD-0502C

50x30x10/8 cm: OSD-0503C

50x30x12/9 cm: OSD-0504C

Gold Model

60x30x10/8 cm: OSD-0505C

60x30x12/9 cm: OSD-0506C

Features

Bi-elastic cover:
80% cotton and 20% polyester

The cover can be washed at a temperature of 40° and will maintain its softness for a long time.

The product is not treated with any colouring agents dangerous for the user's health.

Cervical cushion "Travel"

ARTEMIDORO

Cervical cushion in viscoelastic memory foam. This special material perfectly conforms to the shape of the head and of the neck allowing a correct positioning of the spine and an even distribution of pressure thus relieving pressure around the neck area. Its compact dimensions make it suitable for travelling.

Product code

25x30x10/8 cm: OSD-0501C

Features

Bi-elastic cover:
80% cotton and 20% polyester

The cover can be washed at a temperature of 40° and will maintain its softness for a long time.

The product is not treated with any colouring agents dangerous for the user's health.

Pillow "Platinum"

ARTEMIDORO

Pillow in sensitive viscoelastic memory foam. This special material allows pressure to be evenly distributed throughout the cushion thus offering the maximum comfort and support. Its traditional shape and dimensions make it suitable for both sofas and beds.

Product code

62x48x16 cm (for sofas):
OSD-0560C
70x40x13 cm (for beds):
OSD-0561C
